

Agricultural Environmental Sciences CTE Program

Career Tech Student Organization: Future Farmers of America (FFA)

Career Readiness Indicator Credentials: NCCER Core, Forestry Worker, Urban Forestry Technician

Fundamentals of Agriscience

Course Code: 18003G1001

1 Credit

Prerequisite: None

Course Fee: \$20

Fundamentals of Agriscience introduces students to general agriculture, plant science, animal science, environment science, and industrial agricultural technologies. Students will have the opportunity to earn Integrated Pest Management (IPM) Certification as the credential for this course. Hands-on lessons and labs will provide students with opportunities to engage in the scientific process and demonstrate critical thinking skills. Membership in the Auburn FFA Chapter is highly encouraged for this course. FFA is a national organization that provides students with opportunities to compete in contests, take part in service learning, build leadership skills, explore a variety of careers, and pursue scholarships.

Horticulture Science

Course Code: 18052G1001

1 Credit

Prerequisite: None

Course Fee: \$20

Horticulture Science introduces students to plants, facilities, tools, and techniques used in the horticulture industry. Topics covered in this course include plant physiology and propagation, growth requirements, facilities, horticulture crop production, pest management, and technological applications. Students will complete the Landscape Design and Plant Materials Certification credential as a part of this course. Membership in the Auburn FFA Chapter is highly encouraged for this course. FFA is a national organization that provides students with opportunities to compete in contests, take part in service learning, build leadership skills, explore a variety of careers, and pursue scholarships.

Plant Biotechnology

Course Code: 18308G1002

1 Credit

Prerequisite: Horticulture Science ONLY

Course Fee: \$20

Plant Biotechnology familiarizes students with botany and plant biotechnology. Topics include plant classification, plant cells and tissues, plant nutrient needs, responses to stimuli, plant diseases, biotechnology advancement, and applied genetics and biotechnology concepts. Hands-on lessons and labs will provide students with opportunities to engage in the scientific process and demonstrate critical thinking skills. Membership in the Auburn FFA Chapter is highly encouraged for this course.

CAREER TECHNICAL EDUCATION
AUBURN CITY SCHOOLS

Forestry	
Course Code: 18502G1001	1 Credit
Prerequisite: Fundamental of Agriscience or Horticulture Science	Course Fee: \$20
<p>This course is designed to inform students about forestry management, woodlands conservation, and wood technology. Topics include safety, history, dendrology, silviculture practices, protection of forests, forestry equipment, forest products and marketing, tree measurement, and mapping. Students will complete the Forestry Worker Certification credential as a part of this course. Membership in the Auburn FFA Chapter is highly encouraged for this course. FFA is a national organization that provides students with opportunities to compete in contests, take part in service learning, build leadership skills, explore a variety of careers and pursue scholarships.</p>	

Turfgrass Management	
Course Code: 18054G1000	1 Credit
Prerequisite: Fundamental of Agriscience or Horticulture Science	Course Fee: \$20
<p>Turfgrass Management prepares students to install and maintain turfgrass in a variety of settings. Topics in Turfgrass Management include turfgrass identification, establishment, maintenance, tools and equipment, and business management. Students enrolled in the course will explore local applications of turf management and will complete the Turfgrass Management Certification credential. Membership in the Auburn FFA Chapter is highly encouraged for this course. FFA is a national organization that provides students with opportunities to compete in contests, take part in service learning, build leadership skills, explore a variety of careers, and pursue scholarships.</p>
